

SCHEDULING INFO - AREA C 2A-3A-4A MARCHING CONTESTS

UIL Regions 4, 9, 10, 19, 21 & 33

Scheduling Process

SCHEDULE

The performance schedule cannot be determined until all the Region Marching Contests in Area C are complete. The performance schedule will be posted as soon as possible after the final Region Contest. The following process will be followed:

Qualifying bands are assigned a draw order using the randomize tool of FileMaker Pro. Then, these bands will be divided into three equal groups based on one-way mileage to the contest site.

- Group I: closest 1/3 competitors
- Group II: middle 1/3 competitors
- Group III: farthest 1/3 competitors

Using the following method, a Prelim performance order will be determined. Bands will be scheduled based on the draw order, with the following allowance for mileage from each school to the contest site using Google Maps.

Group II Bands: Performances will not be earlier than 1/2 way through Group I.

Group III Bands: Performances will not be earlier than 1/2 way through Group II.

The performance order will include only the bands 1) that checked "Area Intent - Open" on their Region Entry, 2) that are certified at their Region Marching Contest, and 3) have contacted Mike Bullock indicating their intent to advance.

Neither the draw order nor the distance order is the performance order; instead, it's a combination of the two based on the actual attending bands. For that reason, the schedule cannot be released until as soon as possible after the final Region contest.

2A/4A Contest Estimates

2A: I estimate we'll have about seven 2A Open Class bands compete out of the twelve 2A bands that should certify (including military). 2a prelim performances should start about 11am and end about 12:30pm. If prelims serve as final rankings, 2A results will probably be announced at 12:45pm. It is possible that we may start earlier or later and have finals if enough bands qualify and certify. Last year, the 2A directors decided to forgo finals and let prelims serve as final rankings.

4A: I estimate about fifteen 4A Open Class bands compete out of the twenty-five 4A bands that should certify (including military). 4A prelims should start about 2pm and end about 5:45. 4A finals should start about 7:30 and results announced at 10:30.

3A Contest Estimates

3A: I estimate we'll have about twenty 3A Open Class bands compete out of the thirty-five 3A bands that should certify (including military). Prelims will probably start about 11:30am and end about 5:30pm. 3A finals should start about 7pm and results announced about 10:30pm.

Remember, this is an ESTIMATE.

Each year, we will try to end prelims in the 4pm to 6pm range. If fewer bands attend, we will start later. If more bands attend, we will start earlier. 2A and 4A will usually be grouped at the same contest site and day unless there are too many participating groups.

FINALS (Based on the TOTAL number of bands in each conference that certify (make a 1) at Region Marching Contest)

If there is a total of 9 or fewer bands that certify, the preliminary round will stand as the final round. The top 50% of the competing bands will be recognized as finalists and will receive a finalist award, while the remaining bands will receive a participant award.

If there is a total of 10 to 19 bands that certify, the top 7 bands will advance from the preliminary round to the final round. In addition, any band below seventh place that receives a ranking of three or higher from at least two of the music judges and one of the marching judges will also advance to the final round.

If there is a total of 20 to 29 bands that certify, the top 10 bands will advance from the preliminary round to the final round. In addition, any band below tenth place that receives a ranking of three or higher from at least two of the music judges and one of the marching judges will also advance to the final round.

If there are 30 or more bands that certify, the top 12 bands will advance from the preliminary round to the final round. In addition, any band below twelfth place that receives a ranking of three or higher from at least two of the music judges and one of the marching judges will also advance to the final round.

After Finals (or Prelims if there is only one round), there will be a full band "Retreat." Awards will be presented and rankings/advancement will be announced using the new "countdown" system. The full band retreat will work similarly to the UIL State Marching Contest.

STATE

For conferences that advance to the State Marching Band Contest, in conferences 2A/3A/4A, the music area shall certify the three bands receiving the highest ranking in each conference to the state marching band contest. Should twenty or more bands qualify for the advancement in a single conference for the area contest, one band for each five bands that qualified for advancement to the contest shall be certified for advancement to the state contest.

We will always follow the UIL Constitution and Contest Rules, or any new rules UIL puts forth for the current year.
